31 August 2009

Attention: Shane Doherty

Dear Shane

The Office Relocation Company

Thank you for all of the exceptional service that you provided us during July and August 2009 to undertake our office relocation.

We all were highly impressed with the professionalism, honesty and reliability of all staff. Staff used initiative and clear communication to ensure our relocation went smoothly whilst remaining professional, friendly and fun throughout. Nothing was too much trouble; everyone involved had a 'can do' attitude.

It is refreshing to see a relocation company put such obvious emphasis on communication with the client, accuracy & quality of work and willingness to be flexible.

I am truly looking forward to having future opportunities to utilise your services and we will continue to refer others to TORC.

I would like to take this opportunity to thank you for sending such a great crew. Please feel free to add my name to your recommendation list, it would be my pleasure to share the good experience.

Yours sincerely

Melanie Gordon
