To whom it may concern

Clockwork Event Management used The Office Relocation Company (TORC) November 2007. We were amazed at the high standard of service we received and TORC completely eliminated the stress from the relocation process.

We found TORC's staff to be professional, honest and reliable. We appreciated the level of care taken not only with our furniture and equipment but also the care they took ensuring that all our staff were happy, relaxed and looked after.

We highly recommend TORC to anyone and would be happy to be used as a referee for their future clients.

Kind regards
